

# American Driving Society, Inc.

Dear Event Organizers,

Attached is the **TENTATIVE** schedule for the 2012 competition year. This schedule has been created and provided to you as a tool to help you plan your 2012 events.

If you have a correction to any of the information on this calendar please send an e-mail to [kaelie.schluter@americandrivingsociety.org](mailto:kaelie.schluter@americandrivingsociety.org). Please put **"2012 Calendar"** in the subject line so there is NO confusion with the current calendar.

Items highlighted in yellow are possible conflicts that we have identified that may have an impact on attendance at your event. The ADS has no authority to tell organizers what days they can or cannot hold their events. Conflicts between shows need to be solved between individual event organizers. [ADS Regional Directors](#) are available to help facilitate that process if need be.

2012 Dates are placed on the official ADS Calendar **AFTER** the [Competition Date Application](#) has been receive and fees have been paid.

If you have any questions you can contact the ADS office at 608-237-7382 or e-mail at [info@americandrivingsociety.org](mailto:info@americandrivingsociety.org)

Thank you for providing safe, fun activities for ADS members to participate in!
